Deep in the west
Where the tall mountains grow
I've gone home
Where the heavens above
Turns red from the fire
Down below

Are you listening to me?
When I'm talking to you
Said, "Together we're one
Divided we're through
Divided we're through"

Silver friend at night
Yellow friend it comes
With the dawn
Back in my heart
I've been drying my eyes
See me run

So you hang on to me
And I'll hang on to you
Said, "Together we're one
Divided we're through
Divided we're through"

Refusing to talk
I suppose that it's all
For love's sake, [Incomprehensible] baby
Learning to give
That's important before
You can take from me

Are you listening to me?
When I'm talking to you
Said, "Together we're one
Divided we're through"

So hang on to me
And I'll hang on to you
Said, "Together we're one
Divided we're through"

Divided we're through"
