(Writer: Paul Kennerly)

Oh Dixie, hang your head and cry  
You have seen so many children die  
You had courage and you had pride  
But the Union could never see your side, at all

Oh, oh, oh, not at all  
Oh Dixie, now the land is scarred,  
The States are bleeding  
They're wounded and marred  
Mister Lincoln isn't here to lend a hand  
Now he's gone and bitter, hate rules the land.  
You're done

Oh, oh, oh Dixie, you're done  
Oh Dixie, oh Dixie, now you're done  
Oh Dixie, oh Dixie, oh Dixie, now you're done.  
Oh Dixie, oh Dixie, oh Dixie, now you're done.

Oh Dixie, oh Dixie, oh Dixie, now you're done.  
Oh Dixie, oh Dixie, oh Dixie, now you're done.  
Oh Dixie, oh Dixie, oh Dixie, now you're done.  
Oh Dixie, oh Dixie, oh Dixie, now you're done...
