I've been away for so long  
Fought a war that's come and gone  
Doesn't anybody know my name?

My sister upped and wed  
Mom was sick and took to bed  
And my old dog Red's gone lame

Please tell me if you can  
What time the trains roll in?  
(Two ten, six eighteen)  
Ten forty four

This old house is falling down  
There ain't no need in me for hanging round  
Doesn't anybody know my name?

The girl I left behind  
She's gone with this friend of mine  
I don't have to see a sign  
To know things ain't the same

Please tell me if you can  
What time the trains roll in?  
(Two ten, six eighteen)  
Ten forty four

You can't get far away  
On just a soldier's pay  
Doesn't anybody know my name?

Used to be when I could see  
Everybody wanted me  
Guess nobody cares to see  
A blind man catch a train

Please tell me if you can  
What time the trains roll in?  
(Two ten, six eighteen)  
Ten forty four  
'Cause you been so nice to me
