Donna on my mind when I get up in the morning  
Donna on my mind the whole day through  
Love can't come so quick and real without any warning  
Wonder if she's thinking of me too

Once I thought that no one girl could ever hold me  
Even thought this thing called love was just fantasy  
Now I won't be satisfied until she's mine  
'Till then I'll just have Donna on my mind

Once I thought that no one girl could ever hold me  
Even thought this thing called love was just fantasy  
Now I won't be satisfied until she's mine  
'Till then I'll just have Donna on my mind
