I'm for the law and order the way that it should be
This song's about the night they spent protecting you
from me
Someone called us outlaws in some old magazine
New York sent a posse down like I ain't ever seen

Don't you think this outlaw bit's done got out of hand?
What started out to be a joke the law don't understand
Was it singing through my nose that got me busted by
the man?
Maybe this here outlaw bit's done got out of hand, out
of hand

We were wrapped up in our music that's why we never
saw
Cars pull up, the boys get out and the room fills up with
law
They came boundin' through the backdoor in the
middle of a song
They got me for possession of something that was
gone, long gone

Don't you think this outlaw bit's done got out of hand?
What started out to be a joke the law don't understand
Was it singing through my nose that got me busted by
the man? Oh Lord
Maybe this here outlaw bit's done got out of hand
Don't you think this outlaw bit's done got out of hand,
out of hand?
