Saw your picture in the paper  
And I see you've married good  
And I know that he can give you  
All the things I never could

But I know that he can't give you  
What you need most of all  
So the door is always open  
And the light's on in the hall

Yes, the door is always open  
And the light's on in the hall  
And you know that I'll be waiting  
If you ever come to call

When night falls on that mansion  
And you're lying in his bed  
When he begs you for attention  
Will you think of me instead?

When he reaches out to touch you  
Is your face turned to the wall?  
Well the door is always open  
And the light's on in the hall

Yes, the door is always open  
And the light's on in the hall  
And you know that I'll be waiting  
If you ever come to call

Yes, the door is always open  
And the light's on in the hall  
And you know that I'll be waiting
