Oh, the games people  
Now every night and everyday now  
Never meanin' what they say  
Now never sayin' what they mean, oh no

Well, they wile away the hours in their ivory towers  
Till they're covered up with flowers  
In the back of a black limousine, oh yeah

Lotten da la da da da  
Lotten da la a dee de dee  
Talkin' 'bout you and me  
And the games people play, oh now

Well, we make one another cry  
Break a heart then we say goodbye  
Cross our hearts and we hope to die  
That the other one's to blame

But neither one will ever give in  
So we gaze at an eight by ten  
Thinkin' 'bout the things that might have been  
And it's a dirty rotten shame, yes it does

People walkin' up to ya shouting glory Hallelujah  
Well, they wanna sock it to ya  
In the name of the Lord

Gonna teach you how to meditate  
Read your horoscope and cheat your fate  
Furthermore to hell with hate  
Come on and get on board  
Lotten da la da da da

Look around and tell me what you see  
What's happened to you and me  
God give me the serenity  
To remember who I am

'Cause you've given up your sanity  
For your pride and your vanity  
Turn your back on humanity

'Cause you don't give a do de dee  
Lotten da la da da da
