A long time forgotten  
Are dreams that just felt by the way  
And the good life he promised  
Ain't what she's living today

But she never complains of  
The bad times or bad things he's done, Lord  
She's just talks about the good times  
They've had and all the good times to come

She's a good hearted woman  
In love with a good timin' man  
She loves him in spite of his ways  
That she don't understand

Through teardrops and laughter  
They'll pass though his world hand in hand  
A good hearted woman  
Lovin' her good timin' man

He likes the night life  
The brightlights and good timin' friends  
When the party's all over  
She welcome him back home again

Lord knows she don't understand him  
But she does the best that she can  
'Cause she's a good hearted woman  
She loves her good timin' man

She's a good hearted woman  
In love with a good timin' man  
And she loves him in spite of his wicked ways  
That she don't understand

Through teardrops and laughter  
They'll pass though his world hand in hand  
A good hearted woman  
Lovin' her good timin' man

She's a good hearted woman  
In love with a good timin' man

She loves me in spite of my wicked ways  
That she don't understand

Through teardrops and laughter  
They'll pass though we'll world hand in hand Lord  
A good hearted woman  
Lovin' her good timin' man
