Just a good ol' boys
Never meanin' no harm
Beats all you never saw
Been in trouble with the law
Since the day they was born

Straightenin' the curves
Flatenin' the hills
Someday the mountain might get 'em
But the law never will

Makin' their way
The only way they know how
That's just a little bit more
Than the law will allow

Makin' their way
The only way they know how
That's just a little bit more
Than the law will allow

I'm a good ol' boy
You know my mamma loves me
But she don't understand
They keep a showin' my hands
And not my face on TV
