I don't mind I don't mind I did for a time but I don't
mind
It used to break my heart each time you cheated
I tried to leave the Lord knows how I tried
But I stay here no matter how I'm treated and all it
really cost me was my pride
But I don't mind I don't mind I did for a time but I don't
mind
You and I have a perfect understanding you come and
you go as you please
And I never get too angry or demanding it's hard to get
mad on your knees
But I don't mind I don't mind I did for a time but I don't
mind
Once I was strong as a mountain I stood tall like a giant
oak tree
Now my blood runs thin like water in a fountain you
took all the man out of me
But I don't mind baby I don't mind I did for a time but I
don't mind
