The other night dear, as I lay sleeping
I dreamed I held you in my arms
But when I awoke dear, I was mistaken
So I hung my head and I cried

You are my sunshine, my only sunshine
You make me happy when skies are gray
You'll never know dear, how much I love you
Please don't take my sunshine away

I'll always love you and make you happy
If you will only say the same
But if you leave me and love another
You'll regret it all some day

You are my sunshine, my only sunshine
You make me happy when skies are gray
You'll never know dear, how much I love you
Please don't take my sunshine away

You told me once dear, you really loved me
And no one else could come between
But now you've left me and love another
You have shattered all of my dreams

You are my sunshine, my only sunshine
You make me happy when skies are gray
You'll never know dear, how much I love you
Please don't take my sunshine away

In all my dreams dear, you seem to leave me
When I awake my poor heart pains
So when you come back and make me happy
I'll forgive you dear, I'll take all the blame

You are my sunshine, my only sunshine
You make me happy when skies are gray
You'll never know dear, how much I love you
Please don't take my sunshine away
