If heartaches brought fame in love's crazy game
I'd be a legend, a living legend in my time
If they gave gold statues for tears and regrets
I'd be a legend, a living legend in my time

But they don't give awards and there's no praise or
fame
For a heart that's been broken over love that's in vain
If loneliness meant world acclaim, everyone would
know my name
I'd be a legend, a living in my time

But they don't give awards and there's no praise or
fame
For a heart that's been broken over love that's in vain
If loneliness meant world acclaim, everyone would
know my name
I'd be a legend, a living in my time
