Funny a woman can come on so wild and free
Yet insist, I don't watch her undresses or watch her,
watch me
Then stand by the bed and shiver as if she were cold
Just to lie down beside me and touch me as if she were
gold

One night of love, don't make up for six nights alone
Well, I'd rather have one than none, Lord, I'm flesh and
bone
Sometimes it seems, she ain't worth the trouble at all
But she can be worth the world if somehow you can
touch her at all

Right or wrong, a woman can own any man
She can take him inside her and hold his soul in her
hand
Then leave him as weary and weak as a newborn child
Fighting to get its first breath and open his eyes

One night of love, don't make up for six nights alone
Well, I'd rather have one than none, Lord, I'm flesh and
bone
Sometimes it seems, she ain't worth the trouble at all
She can be worth the world if somehow you can touch
her at all
