Funny a woman can come on so wild and free  
Yet insist, I don't watch her undress or watch her watch  
me  
And stand by the bed and shiver as if she were cold  
Just to lie down beside me and touch me as if I were  
gold

One night of love don't make up for six nights alone  
I'd rather have one than none Lord, I'm flesh and bone  
Though sometimes it seems she ain't worth the trouble  
at all  
She could be worth the world if somehow, you can  
touch her at all

Right or wrong, a woman can own any man  
She can take him inside her and hold his soul in her  
hand  
Then leave him as weak and weary as a newborn child  
Fighting to get his first breath and open his eyes

One night of love don't make up for six nights alone  
I'd rather have one than none Lord, I'm flesh and bone  
Though sometimes it seems she ain't worth the trouble  
at all  
She could be worth the world if somehow, you can  
touch her at all
