Verse 1:

C/G F

Funny a woman can come home so wild and free

G C/G

And insist i don't watch her undress or watch her watch
me

F

And stand by the bed and shiver as if she were cold

G C/G

Just to lie down beside me and touch me as if i were
gold

Chorus:

C/G F

One night of love don't make up for six nights alone

G C/G

But i'd rather have one than none Lord,'cause i'm flesh
and bone

F

Sometimes it seems that she ain't worth the trouble at
all

G C/G

But she could be worth the world if somehow you can
touch her at all

Verse 2 (a tone higher):

D G

Right or wrong a woman can own any man

A D

She can take him inside her and hold his soul in her
hand

G

And leave him as weary and weak as a newborn child

A D

Fighting to catch his first breath and open his eyes

Chorus bis:(a tone higher)

D G

One night of love don't make up for six nights alone

A D

But i'd rather have one than none,I'm flesh and bone

G

Sometimes it seems that she ain't worth the trouble at
all

A D

But she could be worth the world if somehow you can
touch her at all
