Now that I've made up my mind  
You're gone it should be easier now  
Perhaps now my heart will stop hanging on  
It should be easier now

The lesson I've learned from you  
Gold can't buy a heart can be broken and still survive  
Thanks to you now a much wiser man am I  
And it should be easier now

The worst now is over  
I've stood the test it should be easier now  
They say everything happens  
For the best it should be easier now

The wounds in my heart you've carved deep and wide  
Hollowed and washed by the tears I've cried  
But now there'll be more room for love inside  
And it should be easier now
