It's Only Rock and Roll
(Rodney Crowell)

Well, it's only rock and roll keep you running from
yourself
When the only way to slow down is to fall
It's only rock and roll that caused you to leave home
When the only way to get back is to crawl.

But the record people love you they can get you on the
bill
Change your name to money dress up fit to kill
People all around you everywhere you go
Don't worry they love you son, it's only rock and roll.

Well, it's only rock and roll keep you jumping all the
time
When you really ought to sit this one out
And it's only rock and roll keep on messin' with your
mind
When you don't know what they're talkin' about.
All around the world everywhere you go
People got to have it, it's only rock and roll.

Only rock and roll only rock and roll
People all around everywhere you go
Don't worry if they love you 'cause it's only rock and
roll.

--- Instrumental ---

Well, it's only rock and roll when your money's in the
mail
And your love is on the back of the bus
And it's only rock and roll when your records start to
sell
And you don't know why they're making such a fuss.

Telephone receiver ringing off the wall
Can I get a witness each and every call
Second that emotion chased into your soul

Don't worry lest you linger son, it's only rock and roll.

Only rock and roll only rock and roll
People all around everywhere you go
Don't worry if they love you 'cause it's only rock and
roll.

Only rock and roll only rock and roll
People all around everywhere you go
Don't worry if they love you 'cause it's only rock and
roll...
