Got me a woman she's a pretty good woman in fact
We live with a monkey and a Chinese acrobat
She calls me 'Toots' and makes me wear a cowboy hat
I don't care 'cause she's a pretty good woman in fact

I like nothing better than to spin my magic home
Listen to my baby, won't you place my
[Incomprehensible]
She talks and turns all that turns me on
With a woman like that a man need never to roam

Some folks get themselves together
Some folks stay in Tennessee
Well I don't care where I'm going
Just as long as that woman stays with me

Nothing in the world make me treat woman mean
She changed my bed and she keeps my track too clean
She burns my food and makes me [Incomprehensible]
Well I don't care 'cause she's the best little woman I've
seen

Some folks get themselves together
Some folks stay in Tennessee
Well I don't care where I'm going
Just as long as that woman stays with me
