Jack-a-diamonds
Jack-a-diamonds
Take to my money
You can have my life of luxury

You can have my precious silver
Studded saddle, oh Lord
But You cannot take my soul
Cannot take my soul, today

Sweet mamma
Oh, sweet mamma
Won't you say you love me?
Let me hold you, hold you in my arms

Please tell me
I'm not really falling to pieces
Keep me tender mama
Tender now, keep me warm

Jack-a-diamonds
Jack-a-diamonds
I still got my ace, yeah

If you want me to do it I can throw it
Right in your face
Go and take my precious silver
Studded saddle, yeah

But You cannot take my soul
Lord, You cannot take my soul today

Jack-a-diamonds
Jack-a-diamonds
I'm gonna be alright
