Do you ever think about  
The one who thinks about you?  
Do you ever wonder dear  
Why he's always waiting here for you?

In spite of all the things you've said and done  
I'm a fool and you're the only one  
I'll keep waiting while you'll have your fun, just for you  
Can't you see you're a part of me and everything I do?  
And every dream I dream is just for you

Do you ever think about  
The one who thinks about you?  
Do you ever wonder dear  
Why he's always waiting here for you?

It makes no difference what you do or say  
I'll be waiting here the same old way  
Living every moment of each day  
Just for you

It makes no difference what you do or say  
I'll be waiting here the same old way  
Living every moment of each day  
Just for you, just for you, just for you
