Kentucky woman, she shines with her own kind of light
She'd look at you once and a day, that's all wrong looks
all right
And I love her, God knows I love her, Kentucky woman
If she gets to know you, she gets to own you, Kentucky
woman

She's not the kind gets turn at the drop of her name
'Cause somethin' inside that she's got turns you on just
the same
And she loves me, God knows she loves me, Kentucky
woman
If she gets to know you, she gets to own you, Kentucky
woman

Don't want much good Lord's earth beneath my feet
A gentle touch from that one girl and life is sweet
And good, there ain't no doubt talkin' about Kentucky
woman
If she gets to know you, she gets to own you, Kentucky
woman

Don't want much Lord's earth beneath my feet
A gentle touch from that one girl and life is sweet
And good, there ain't no doubt talkin' about Kentucky
woman
If she gets to know you, she gets to own you, Kentucky
woman

Kentucky woman, Kentucky woman
