South bound out of Shreveport heading hell bent for his
grave
He reads a sign on the barn door that says the good
lord Jesus saves
But I don't think Jesus knows him 'cause he ain't the
Jesus kind
He's a laid back country picker with a laid back country
mind.

He gave the folks a good show at the Shreveport
Coliseum
They all heard he's dying, so they all come out to see
Friends and neighbors make him happy, Lord them
snuff queens treat him kind
He's a laid back country picker with a laid back country
mind.

Chorus:
Uppers, downers, turn arounders picked him up and
laid him down
His old troubles keep on swimming 'cause their to
damn mean to drown
He keeps looking for an answer I know he's never
gonna find
He's a laid back country picker with a laid back country
mind.

--- Instrumental ---

Big Bertha, back in Beaumont says he really turns her
on
She hits the floor a dancing, when the DJ plays his song
You can see somebody loves him, or at least they did
one time
He's a laid back country picker with a laid back country
mind.

Chorus:
Uppers, downers, turn arounders picked him up and
laid him down
His old troubles keep on swimming 'cause their to

damn mean to drown
He keeps looking for an answer I know he's never
gonna find
He's a laid back country picker with a laid back country
mind...
