(Dean Dillon - Hank Williams Jr - Gary Stewart)
Waylon Jennings & Ernest Tubb & Hank Williams Jr.

Now they say Hank Jr. has strayed away
From all them songs that put his daddy in an early
grave
But his daddy would be proud if he could see
Bocephus now
Why don't you leave that boy alone, let him sing his
song?

Oh, Waylon has been known to play half time
He been known to get out of his mind
Don't know whether he's right or wrong
He's got a string of hits about two miles long
Why don't you leave that boy alone, let him sing his
song?

Why don't you leave them boys alone let 'em sing their
song
You know they're gonna do whatever they want.
If you don't like the way they sing who's gonna cast the
first stone?
Why don't you leave them boys alone, let 'em sing their
song?

--- Instrumental ---

Hank Williams was the king of country soul
My dad took me to see him in Lubbock but he didn't
show
Now the people got mad and they all went home
The first thing we did was put his records on.
I guess we should have left him alone and let him sing
his songs.

Why don't you leave them boys alone, let 'em sing their
song
You know they're gonna do whatever they want.
If you don't like the way they sing who's gonna cast the
first stone?

Why don't you leave them boys alone, let 'em sing their
song?

Why don't you leave them boys alone, let 'em sing their
song?...
