Just one more dance, just one more chance so I can
talk to you
We've both have paid, don't be afraid, just let me try to
prove
I would do anything you want me to

Just one more dance, just one more chance, let me talk
to you
Don't go too far with that crowd at the bar
That's not the way to win, let's fall in love again

Give me your heart and let me start to build our life
anew
Just one more dance, just one more chance, let me talk
to you
Just one more dance, just one more chance, let me talk
to you
