Look into my teardrops
Darlin', you will see
The reflection of an angel
That made a fool of me

Look into my teardrops
You will see the eyes
That promised me so many things
But all of them were lies

Look into my teardrops
The mirror of my soul
You will see the girl
Still my only world but I couldn't hold

Look into my teardrops
And you will see the one
That broke my heart forever
Aren't you proud of what you've done

Look into my teardrops
A mirror of my soul
And you will see the girl
Still my only world but I couldn't hold

Look into my teardrops
And you will see the one
That broke my heart forever
Ain't you proud of what you've done
