Lookin' for love

I've spent a lifetime looking for you  
Single bars and good time lovers, never true  
Playing a fools game, hoping to win  
Telling those sweet lies and losing again.

I was looking for love in all the wrong places  
Looking for love in too many faces  
Searching your eyes, looking for traces  
Of what.. I'm dreaming of...  
Hopin' to find a friend and a lover  
God bless the day I discover  
Another heart, lookin' for love

When I was alone then, no love in sight  
And I did everything I could to get me through the night  
Don't know where it started or where it might end  
I turn to a stranger, just like a friend

I was looking for love in all the wrong places  
Looking for love in too many faces  
Searching your eyes, looking for traces  
Of what.. I'm dreaming of...  
Hopin' to find a friend and a lover  
God bless the day I discover  
Another heart, lookin' for love

You came a'knocking at my heart's door..  
You're everything I've been looking for..

No more looking for love in all the wrong places  
Looking for love in too many faces  
Searching your eyes, looking for traces  
Of what.. I'm dreaming of...  
Now that I found a friend and a lover  
God bless the day I discover  
You, oh you, lookin' for love

In all the wrong places  
Looking for love in too many faces  
Searching your eyes, looking for traces

Of what.. I'm dreaming of...  
Now that I found a friend and a lover  
God bless the day I discover  
You, oh you, lookin' for love
