I have seen the morning burning golden on the  
mountains in the skies  
Achin' with the feelin' of the freedom of an eagle when  
she flies  
Turnin' on the world the way she smiled upon my soul  
as I lay dying  
Healin' as the colors in the sunshine and the shadows  
of her eyes

Wakin' in the mornin' to the feelin' of her fingers on my  
skin  
Wipin' out the traces of the people and the places that  
I've been  
Teachin' me that yesterday was something that I never  
thought of trying  
Talkin' of tomorrow and the money, love and time we  
had to spend

Lovin' her was easier than anything I'll ever do again

Comin' close together with a feelin' that I've never  
known before, in my time  
She ain't ashamed to be a woman, or afraid to be a  
friend  
I don't know the answer to the easy way she opened  
every door in my mind  
But dreamin' was as easy as believin' it was never  
gonna end

Lovin' her was easier than anything I'll ever do again  
Lovin' her was easier than anything I'll ever do again
