I have seen the morning burning golden on the
mountain in the skies
Aching with the feeling of the freedom of an eagle
when she flies
Turning on the world the way she smiled upon my soul
as I lay dying
Healing as the colors in the sunshine and the shadows
of her eyes
Waking in the morning to the feeling of her fingers on
my skin
Wiping out the traces of the people and the places that
I've been
Teaching me that yesterday was something that I never
thought of trying
Talking of tomorrow and the money love and time we
have to spend
Loving her was easier than anything I'll ever do again
Coming close together with a feeling that I've never
known before in my time
She ain't ashamed to be a woman or afraid to be a
friend
I don't know the answers to the easy way she's opened
every door to my mind
But dreaming was as easy as believing it was never
gonna end
Loving her was easier than anything I'll ever do again
