(Hank Williams - Fred Rose)

Tonight down here in the valley
I'm lonesome and oh, how I feel
As I sit here alone in my cabin
I can see your mansion on the hill.

Do you recall when we parted
The story to me you revealed
You said you could live without love dear
In your loveless mansion on the hill.

--- Instrumental ---

I've waited all through the years love
To give you a love true and real
You know that you're living in sorrow
In your loveless mansion on the hill.

The light shines bright from your window
The trees stand so silent and still
I know you're alone with your pride love
In your loveless mansion on the hill.

In your loveless mansion on the hill...
