You don?t know me from Adam, madam  
May I introduce myself to you?  
I live one floor down below  
I hear and know almost everything you do

I used to hear four feet dancin'  
Now I?m countin' only two  
May I borrow some sugar from you?

You can call me nosy neighbor  
I?ll admit it?s mostly truth  
But it?s hard to satisfy a cravin?  
Can you relate to an old sweet tooth?

?Cause coffee all alone every mornin?  
Makes a bitter tastin? brew  
Can I borrow some sugar from you?

Don?t know how I got this feeling  
Maybe it?s because your floor is my ceiling  
At times I wish it would just crash on through

'Cause coffee all alone every mornin?  
Makes a bitter tastin? brew  
May I borrow some sugar from you?

You don?t know me from Adam, madam  
May I introduce myself to you?  
I live one floor down below  
I hear and know almost everything you do

I used to hear four feet dancin'  
Now I?m countin' only two  
May I borrow some sugar from you?

'Cause coffee all alone every mornin?  
Makes a bitter tastin? brew  
Can I borrow a little sugar from you?

Well, I used to hear four feet dancin'  
Now I?m countin' only two

May I borrow some sugar from you?

'Cause coffee all alone every mornin?  
Sure makes a bitter tastin? brew
