MY BABY LEFT ME
(Arthur Crudup)
© '56 Elvis Presley Music

Well my baby left me she never said a word
Was it something that I've done or something that she
heard
You know she left me yeah she left me Lord my baby
left me never said a word
Well Lord I stand at my window wring my hands and cry
I hate to lose that woman hate to say goodbye
You know she left me yes he left me my baby even left
me never said goodbye
