Medley of Elvis hits:
That's All Right Mama
(Arthur Crudup)

Well, that's all right mama that's all right with you
That's all right mama anyway you do
Well, that's all right that's all right
That's all right mama, anyway you do.

Well, my mama she done told me papa done told me
too
Son that gal you're foolin' with she ain't no good for
you
Well, that's all right, that's all right
That's all right mama, anyway you do.

--- Instrumental to next song ---

My Baby Left Me
(Arthur Crudup)

Well, my baby left me she never said a word
Was it something that I've done or something that she
heard
You know she left me, yeah she left me
Lord, my baby left me, never said a word.

Well Lord, I stand at my window, wring my hands and
cry
I hate to lose that woman, hate to say goodbye
You know she left me, yes he left me
My baby, even left me, never said goodbye.

--- Instrumental to fade ---
