I know your leaving's too long overdue
For too long I've had nothing new to show you
Goodbye dry eyes, I watched your plane fade off west
of the moon
It felt so strange to walk away alone

No regrets, no tears goodbye
Don't want you back, we'd only cry again
Say, goodbye again

The hours that were yours echo like empty rooms
The thoughts we used to share, I now keep alone
I awoke last night and spoke to you not thinking you
were gone
And it felt so strange to lie awake alone

No regrets, no tears goodbye
Don't want you back, we'd only cry again
Say, goodbye again

Our friends have tried to turn my nights to day
Strange faces in your place can't keep the ghosts away
Just beyond the darkest hour just behind the dawn
It feels so strange to leave my life alone

No regrets, no tears goodbye
Don't want you back, we'd only cry again
Say, goodbye again
