The way you caught my eye in Paris, Tennessee  
Selling seduction, well I'm seduced  
You sell a war then we sell a truth  
It's the truth

So baby, just close your eyes  
Nothing catches Jesus by surprise

Confusin' love for heated passion  
Got what I want but no satisfaction  
Ain't it funny how things can change?  
We're amazed how they stay the same  
Oh, it's the same

So baby, just close your eyes  
Nothing catches Jesus by surprise

You look so pretty when you smile  
I haven't seen that for a while

Talk about trouble, we've had our share  
It's a wonder we're still here  
I don't know why I make you cry  
It's a part of me I don't like at all, oh

So baby, just close your eyes  
Nothing catches Jesus by surprise

Baby, just close your eyes  
Nothing catches Jesus by surprise
