Verse 1:

A D A E A

Blow on you restless wind, up to your old tricks again.

A E A E A

Bear down you Texas sun, you make the desserts dry  
and the brush fires run.

D A E A

Splintered wood rusty chains, this old front porch swing  
remains.

A E A E A

A pendulum of memories, goes back and forth on a  
summer breeze.

Chorus:

D A

Singing old church hymns and nursery rhymes

E A

From the days way back before my time.

D A

With a little child upon my knee

E

Singing every sweet word back to me.

D A

Look how far I had to come

E A

To get back where I started from.

D

With a child's wisdom passin' time

A E A

Singing old church hymns and nursery rhymes.

Verse 2:

A D A E A

I've run the race I've walked the wire, I paid the price of  
my desire

A E A E A

And the only time I've known it all, is just before I took a  
fall.

A D A E A

So howl you lone coyote song, fade to sapphire sky of  
dawn.

A E A E A

Count me in the lucky men, to send the world around  
again.

Chorus.
