I'm for law and order  
The way that it should be  
This song's about the night they spent  
Protecting you from me

Someone called us outlaws  
In some old magazine  
New York sent a posse down  
Like I ain't never seen

Don't you think this outlaw shit  
Has gotten out of hand?  
What started out to be a joke  
The law don't understand

Was it singing through my nose  
That got me busted by the man?  
This ain't it, this outlaw shit  
Has gotten out of hand, out of hand

We were wrapped up in the music  
That's why we never saw  
The cars pull up, the boys get out  
And the room fill up with law

They came pounding through the back door  
In the middle of my song  
They got me for possession of something  
That was long gone

Don't you think this outlaw shit  
Has gotten out of hand?  
What started out to be a joke  
The law don't understand

Was it singing through my nose  
That got me busted by the man?  
This ain't it, this outlaw shit  
Has gotten out of hand, out of hand
