Some people are saying that time will take care of
people like me
That I'm livin' too fast and they say I can't last much
longer
But little they see that their thoughts of me is my savior
And they really should know that the
[Incomprehensible] goes little faster

So pick up the tempo just a little and take it on home
The singer ain't singin' and the drummer's been
draggin' too long
Time'll take care of itself, so just leave time alone
And pick up the tempo just a little and take it on home

Well, I'm wild and I'm mean, I'm creatin' a scene, I'm
goin' crazy
Well, I'm good and I'm bad and I'm happy and sad and
I'm lazy
I'm quiet and I'm loud, I'm gatherin' a crowd and I like
gravy
About half off the wall but I learned it all in the navy

So pick up the tempo just a little and take it on home
The singer ain't singin' and the drummer's been
draggin' too long
Time'll take care of itself, so just leave time alone
And pick up the tempo just a little and take it on home
Yeah, pick up the tempo just a little and take it on home
