"Precious Memories"

As I wander on life's pathway
I know not what the future holds
As I ponder, hope grows fonder
Precious sacred scenes unfold

Precious memories, how they linger
How they ever flood my soul
In the stillness of the midnight
Precious sacred scenes unfold

Precious memories, how they linger
How they ever flood my soul
In the stillness of the midnight
Precious sacred scenes unfold

Precious memories, how they linger
How they ever flood my soul
In the stillness of the midnight
Precious sacred scenes unfold
