Put another log on the fire  
Cook me up some bacon and some beans  
And go out to the car and change the tire  
Wash my socks and sew my old blue jeans.

Come on baby you can fill my pipe and then go fetch  
my slippers  
And boil me up another pot of tea  
Then put another log on the fire babe  
And come and tell me why you're leaving me.

Now don't I let you wash the car on Sunday  
And don't I warn you when you're gettin' fat  
Ain't I a gonna take you fishin' with me someday  
Well, a man can't love a woman more than that.

Ain't I always nice to your kid sister  
Don't I take her driving every night  
So sit here at my feet cause I like you when you're  
sweet  
And you know it ain't feminine to fight.

So put another log on the fire...
