She said if I ever deceived her
She'd been gone before I could count ten
Well, I guess that I didn't believe her
'Cause look at the trouble that I'm in

And now she's gone, gone, gone, gone, gone, gone
Cryin' won't bring her back
The more that I cry, the faster than train flies
Farther on down the track

If I only knew where to find her
I'd crawl there on my hands and knees
But each tick of the clock is a reminder
She's one second farther from me

And now she's gone, gone, gone, gone, gone, gone
Cryin' won't bring her back
The more that I cry, the faster than train flies
Farther on down the track
