[Willie Nelson]

Can't go home if you're goin' by the mill
Cause the bridge's washed out at the bottom of the hill
Big Creek's up and Little Creek's level plow my corn
with a double shovel
Stay all night stay a little longer dance all night dance a
little longer
Pull off your coat throw it in the corner don't see why
you can't stay a little longer

Sittin' in the window singin' to my love slop bucket fell
from the window up above
Mule and the grasshopper eatin' ice cream
Mule got sick so they laid him on the green
Stay all night...

[steel]

Well you ought to see my blue eyed Sally she lives
away down on Shinbone Alley
The number on the gate the number on the door
The next house over is the grocery store
Stay all night...

[guitar]

Stay all night...
Don't see why you can't stay a little longer
