We're caught in a trap can't walk out
Because I love you too much baby
Why can't you see what you're doing to me
When you don't believe a word I'm saying.

We can't go on together
With suspicious minds
We can't do our dreams
On suspicious minds.

I saw an old friend I know I stopped to say hello
Would I could still see suspicion in your eyes
Here we go again you ask me where I've been
You can't see the tears are real I'm crying.

We can't go on together
With suspicious minds
We can't build our dreams
On suspicious minds.

Let our love survive
Or dry the tears from your eyes
Don't let a good thing die
Don't you know I never lied to you?

We're caught in a trap can't walk out.
Caught in a trap can't walk out...
