(Nick Nixon - Don Earl)

Well, I wish I had button eyes and red fat nose  
Shaggy cotton skin and just one set of clothes  
Sittin' on the shelf in the local department store  
With no dreams to dream and nothin' to be sorry for.

I wish I was a Teddy Bear  
Nor living, nor loving, nor going nowhere  
I wish I was a Teddy Bear  
And I wish that I never had fallen in love with you.

I wish I had a wooden heart and a sawdust mind  
Then your mem'ry wouldn't come around to hurt all the  
time  
With a sewed on smile and a painted twinkle in my eye  
Then I never would've ever had to learn how to cry.

I wish I was a Teddy Bear  
Nor living, nor loving, nor going nowhere  
I wish I was a Teddy Bear  
And I wish that I never had fallen in love with you.

I wish I had a string you could pull that would make me  
say  
What you wanna hear from me to make you stay  
Then I'd know everytime I spoke the words were right  
And no one would know what a mess I've made in my  
life.

I wish I was a Teddy Bear  
Nor living, nor loving, nor going nowhere  
I wish I was a Teddy Bear  
And I wish that I never had fallen in love with you.

I wish I was a Teddy Bear  
Nor living, nor loving, nor going nowhere  
I wish I was a Teddy Bear  
And I wish that I never had fallen in love with you...
