Saw your picture in the paper and I see you've married
good
And I know that he can give you all the things I never
could
But I know that he can't give you what you need most of
all
So the door is always open and the light's on in the hall
Yes the door is always open and the light's on in the
hall
And you know that I'll be waiting if you'd ever come to
call
[guitar]
When night falls on that mansion and you're lying in his
bed
When he begs for your attention will you think of me
instead
When he reaches out to touch you is your face turned
to the wall
Well the door is always open and the light's on in the
hall
Yes the door is always open...
