[VERSE 1]

Just two good ole boys,  
Never meaning no harm.  
Beats all you never saw,  
been in trouble with the law  
Since the day they was born.

[VERSE 2]

Straightenin' the curves,  
Flattenin' the hills.  
Someday the mountain might get 'em but the law never  
will.  
Makin' their wayyyyyy, the only way they know how.  
Well, that's just a little bit more than the law will allow.

[VERSE 3]

Just two good ole boys,  
Wouldn't change if they could.

[stop] Fightin' the system like two modern day Robin  
Hoods. [Yee-haw]
