He's a giver he'll give her the kind of attention that
she's never known
He's a helper he'll help her to open the doors that she
can't on her own
He's a lover and he'll love her in ways that she's never
been loved before
He's a getter he'll get her by gettin' her into the world
she's been hungering for
He's a charmer he'll charm her with money and
manners that I never learned
He's a leader he'll lead her across pretty bridges he's
plannin' to burn
He's a talker he'll talk her right off of her feet but he
won't talk for long
Cause he's a doer and he'll do her
The way that I'd never damned if he won't do her
wrong
He's a taker he'll take her to places and make her fly
higher than she's ever dared to
He'll take his time before takin' advantage takin' her
easy and slow
And after he's taken the body and soul she gives him
he'll take her for granted
Take off and leave her taken all of her pride when he
goes
He's a taker he'll take her...
