I came down with a broken heart
Just to start my summer
Boy, when you lose the one you love
It's a stone cold bumper

I just called you up to tell you I don't know what to say
I wish you knew the way I felt
This is gettin' funny
There ain't nobody laughin', honey
Come on back home
Tell me how you feel, though I can't stand this at all

Can't you see it's a mystery?
I thought I was your lover
Yes, I could fly, I could lay down and die
Six one way, half a dozen of the other

I could say I'm sorry, baby, enough's enough
I'm gonna break right down and ball
This is gettin' funny
But there ain't nobody laughin', honey
Come on back home
Tell me how you feel, though I can't stand this at all

I was out to show you what a good man I could be
You were out to hurt somebody
Now I'm goin' crazy
Really did, and I ain't lying

Gets so lonesome here in L.A
My summer's turned to autumn
I don't know if you heard it way out there where you
stay
My heart just hit rock bottom

I'm runnin' round in circles, I don't know where I am
Won't you at least give me a call?
This is gettin' funny
But there ain't nobody laughin', honey
Come on back home
Tell me how you feel, though I can't stand this at all

How do you feel?
Though I can't stand this all
