Girls have been a weakness all of my life  
But I made a big mistake and I took one for a wife  
I've thought that she was different, I could settle down  
But she won't and I didn't by now I'm leavin' town

This time tomorrow I'll be gone  
This time tomorrow I'll be gone

I'll be a datin' those Southern belles, there'll be no days  
of blue  
All the queens in New Orleans, I'll get around with you  
When sun went down, I'll come back up, I'll be countin'  
every hour  
Till I'm back headin' South for sweet, sweet magnolia  
flowers

This time tomorrow I'll be gone  
This time tomorrow I'll be gone

This time tomorrow I'll be gone  
This time tomorrow I'll be gone
