

Waylon Jennings "Till I Gain Control Again"

Just like the sun over the mountain top you know I'll
always come again
You know I love to spend my morning time like sunlight
dancing on your skin
Never gone so long as far telling lies to you oh what
you've seen is what I've been
And there is nothing I can hide from you you see me
better than I can
Out on the road that lies before me now there are some
turns where I will spin
I only hope that you can hold me now till I can gain
control again
[steel]
Just like a light house you must stand alone and mark
the sailors journey's end
No matter what sea I've been sailing on I'll always roll
this way again
Out on the road...
