I can tell that somewhere there's someone  
You loved more than me  
Someone you loved more than me  
And it hurts to say it but you have the right to be free

I know that's the way it should be  
But I'm too far gone, too far gone  
I've loved you so much for so long  
I'm too far gone

If ever your new love should hurt you  
Or make you feel blue  
Hurt you or make you feel blue  
Remember your old love will still be around loving you  
I'll be around loving you

'Cause I'm too far gone
